Money is the cause of stress and anxiety for millions of people!

It is also a leading cause of divorce...many believe they are alone with their financial struggles, or have given up. Marlow and Chris have the stories to prove they are NOT alone! Chris and Marlow share insights on a variety of topics surrounding money. They speak from the perspective of a married couple in the financial services industry working with clients of all walks of life as well as a couple in business together. They get personal with their own financial challenges and give powerful insight to help anyone seeking a better financial situation.

Chris and Marlow speak to a variety of groups: Couples seeking help getting on the same "financial page", financial professionals seeking to improve their value when working with couples, or entrepreneurs looking to get out of a rut and move their business to the next level.

Chris and Marlow are Amazon #1 Best-selling authors of *The Prosperity Factor*. They also share their personal story of financial transformation and how they got on the “same page” in their book, *Couples Money* and share concepts from the book in their keynote talks and other speaking engagements. Their presentations are full of life changing insight with easy to follow action steps. They truly speak from experience with their personal story of financial transformation as well as insights from thousands of financial clients and dozens of financially independent mentors. They appeal to a wide audience of couples, singles, and business people looking to improve the quality of their financial life.

Chris and Marlow have extensive public speaking experience, are fun and engaging! They have inspired hundreds of thousands across the country with audiences as large as 15,000! They are highly respected in the financial services industry as leaders in business as well as personal growth. They have 29 plus years’ experience in the financial services industry with numerous stories along the way! They mentor and train over 200 financial professionals in their business and live near Denver, Colorado.
